ACCELERATES FORCE OF WATER PRESSURE IN FIRE FIGHTING

The fire commissioners have caused a gun nozzle to be mounted on the hose wagon of No. 3 engine company in Norman street. This is the third of these nozzles to be mounted in this city. The first was placed on the wagon of No. 1 engine company and was used for the first time at the fire at the storehouse of Vincent Bros. in the West End. With a 2½ inch tip on the nozzle 250 feet from the hydrant, 1,600 gallons of water was thrown on the fire in a minute, or 6 times as much as thrown from the ordinary nozzle used by the fire department. Two engines are used to throw water through the deck nozzle. The new nozzle on No. 3 hose wagon has a two inch tip and it is expected that two engines can throw four times as much water from them as from the ordinary streams. The heavy streams will be of great service in fighting fires in the West End, where there is a large volume of flame and force is needed to extinguish it. At Vincent Bros. fire the deck nozzle was of great service in sweeping the storehouse and protecting the buildings in the vicinity.

ECZEMA VICTIM GAVE UP HOPE

After Suffering a Year with Raw, Watery Humor on Hands and Face—Prescriptions Did Not Do a Bit of Good—Scratched Till Blood Came and Had to Quit Work.

COMPLETELY CURED BY CUTICURA REMEDIES

"I suffered with eczema for one year and had two of the best doctors in town, but their medicine did not help me. First of all, I had small white pimples on my left hand and face. I had to scratch until the blood came. Then they would put up and water would run down. Wherever this water would run there would be more pimples. I was in a mass of sores. Then my other hand became affected and they were like pieces of raw meat. I then came on my face, neck and under my right arm so that I was unable to raise my arm for two weeks. I became so bad that I was obliged to give up work. About four months ago I started to doctor and the doctor told me it was eczema. So he told me to get a good ointment and soap. I used them for a month and they didn't do me one bit of good so I tried another doctor. He gave me three different kinds of medicines, but I was very much put out when these remedies did not help me. I was unable to sleep at night and I gave up all hope until I decided to try the Cuticura Remedies. I used two cakes of Cuticura Soap, two boxes of Cuticura Ointment, and two boxes of Cuticura Resolvent and I am glad to say I am cured. Miss Nora Shultz, 243 North Third St., Reading, Pa., Jan. 4 and 7, 1909."

LIVE BASE BALL TIPS

Holyoke here for two games to-day.

They generally bring the rain with them, having played only one day here so far this season.

The Orators tackle the Authors in Waterbury to-morrow. By that time Manager Jim again expects to have some new twirlers to do the work. They can't come any too soon.

Bunyan's hitting the past week has been the only redeeming feature of the Orators' play. John is some choice as a pinch hitter.

Krause, the young phenomenon, picked up by Connie Mack at the beginning of the season, won his tenth successive victory yesterday by defeating the Detroit 7 to 1, allowing only four hits.

New Britain showed no tendency to ease up in its great batting streak during the team batting with 222. They have failed to reach the top, they are picked to win the pennant. Holyoke also is likely to be nearer the bunting than Hartford.

If the Orators would show something better in the pitching work, they will soon be climbing, as New Haven is on the road to ruin. The shilling work of the Orators will win them many games.

Jimmy Savage, the former Villanova captain, who broke into this league three seasons ago with Waterbury, playing under the name of Walker, is very likely to play with the New York Americans.

McEnroe, Phoenix, Campion, Lawson and Jim Watson, all former Connecticut leaguers are now playing with Tommie Corcoran's Lighthouse Point team of New Haven.

"Swat" McCabe of New Britain passed his team mate Mason during the week in batting and is now leading the league with the average of .388. Mason comes next with .352. Other perfectos who are in the .300 class are: Ward, .361; Waterman, .346; Almeida, .317; and Cabrera, .306. Needham has an average of .293.

McCabe of New Britain will no doubt pass the century mark this week in hitting having already made 94.

Bridgeport brings up the rear of the league in team batting with 222. The locals are seventh in fielding with .923, with Springfield last, three points behind. Hartford is away ahead of the bunch in fielding with an average of .950.

It has been rumored that Manager O'Rourke is willing to sell, if he can get his price. He is now offering an offer, it is stated, from James Wilkes, manager of the New Haven theatre. There is a local bidder here who if he can land the franchise can bring one of the best ball players in the country here to do the managing. All seem aware of the fact that there is a gold mine here if a winner can be gotten together.

GIBBS COULD NOT STAY THE TIDE AND ORATORS LOST

The Orators are still slipping. Saturday Northampton adding the elm to the locals slide, the final score being 2-2. Bridgeport beat the Orators, Gibbs, was touched for seven hits, four of which came in the second session, which with a base on balls and an error by Ellis, the four runs which proved enough to win the contest. Bridgeport started strong getting to Jim Wanner in the first inning for their only runs of the game on two walks, a sacrifice and two errors. Bunyan's pinch hit. After that canto nothing could be done with Wanner. Gibbs also tightened up after the second. His batting of the Larks was perfect. The score: Northampton 0 4 0 0 1 0 0 0 0 5
Bridgeport 2 0 0 0 0 0 0 0 0 2
Batteries: Wanner and Robarge; Gibbs and Kocher.

RING SIDE GOSSIP

When the dust settles in the ring at the Bedford A. C. in Brooklyn tonight after that quartette of wee fighters, Phil McGovern, Charlie Goldman, Joe Coster and Joe Wagner have fought their last battle, there will be a noticeable clearing of the championship muddle. The youngsters will be paired off and each pair will box two rounds. The winners of tonight's contests will be matched for the next stag at the club, and the final victor will be given a chance with Monte Attell in a championship battle.

The bout between McGovern and Goldman is a grudge affair, and on its outcome depends the selection of the champion. The winner of the fight will be who now claims the bantamweight title.

Abe Attell will be at the ringside to set a line for the four tops, one of whom is to meet his brother Monte in three weeks' time. As the two battles are of equal importance, the four tops, one of whom is to meet his brother Monte in three weeks' time. As the two battles are of equal importance, the four tops, one of whom is to meet his brother Monte in three weeks' time. As the two battles are of equal importance, the four tops, one of whom is to meet his brother Monte in three weeks' time.

That is a sample of young McGovern's confidence. He bested Goldman several weeks ago, but he will not be satisfied until he puts his man down for the count. McGovern promises to waste in this time and give a perfectly good imitation of the famous style of rushing and smashing that carried his older brother to the top of the heap. McGovern says he never felt better and expects to win the fight by a knockout.

Goldman is in excellent fighting trim and is hoped by his followers to be possibly by means of a sudden jolt with the haymaker, to beat the toughest proposition he has ever stacked up against. There is no overlooking the Coster-Wagner fight either, as this promises to be a slambang affair from bell to bell. Both boys are aggressive little sluggers in addition to being clever ring generals. The respective winners of the two bouts are to be matched. At the closing of the process, the victor will meet Monte Attell for the title. If McGovern is the twice-winner and then beats Attell he will bring back into the family the famous Terry McGovern belt and establish a unique record besides.

GAMES YESTERDAY ON LOCAL DIAMONDS

Strong Local Teams Poor Showing in Contest.

The West Ends went down to defeat before the strong Brooklyn A. C. of Waterbury, yesterday, at West End Park, 11-6. The local lads can blame themselves that they lost the contest, as the victors made most of their runs after chances had been given to retire the side. Fifteen hits was the sum total made off Klawburg, the visiting pitcher, yet the West Ends could not win. West Ends were without the services of Kerr, who has up and broken short stop, who is ill. The score: Brooklyn A. C. 11 0 0 0 1 2 0 1 1 1 6 4
West Ends 0 0 0 0 1 0 0 2 6 15 9
Batteries: Klawburg and Brickell; Murray, Lee and Lush.

The South Ends played a snappy game in the field yesterday against the Washington Glee Club of New Haven, only making 14 errors, the players delighting in throwing the ball when a man dared to lead off a bag. The visitors were outbatted, but when they managed to get on base there would be a South end slip up and a score. O'Day's homer, the longest ever seen at the flats, featured the score: South Ends 0 0 0 0 3 0 0 0 2 10 14
Washington G. C. 0 4 5 1 0 1 3 0 14 9 2
Batteries: Carter and Lannon; Ryder and Pendergast.

The best exhibition of the day was that presented by the Orioles and the Newfields at the Meadows, the latter winning out 2-2. Ginger cropped out in every play, the 1,600 spectators being well repaid for their trip. Each club made eight hits and two errors, none of which were costly. White was more effective than Barron when men were on the bases. The score: Orioles 0 0 0 0 0 1 0 2 3 3 2
Newfields 0 0 0 0 0 1 0 2 3 3 2
Batteries: Barron and Laubscher; White and Hoeschele.

The West End Boys' Club traveled to Ansonia yesterday, defeating the Emeralds of that town in a well played game 14-9. Ennis of the local team connected for four hits. The score: West End Boys' Club 14 0 0 5 1 1 0 14 17 2
Emeralds 0 4 0 0 3 0 0 2 9 8 5
Batteries: Ennis and Rist; O'Hearn and Sweeney.

A. & B. vs. Warner.

No. 2 Cranes tried hard Saturday but could not stay the onward march of the victorious Yost nine which won its eleventh successive victory, not a loss being registered against them as yet. Saturday's final score being 9-4. The contest was one of the best of the season, the score being a tie 4-4 up to the sixth, when "Rocky" Farrell weak-

ened, allowing two runs before a man was put out. "Red" Coughlin was then substituted allowing five successful hits, which netted four more runs, putting the game on the ice. After the second inning, Amos Johnson, the crack Yost pitcher was almost invincible. The score: Yost 0 1 0 0 0 0 0 0 9 10 4
Crane No. 2 0 0 0 0 1 0 0 0 4 7
Batteries: Johnson and Wilson; Farrell, Coughlin and Keating.

As a preliminary to the State league contest at Newfield, Singers and the Cartridge Shop battled in grand form, the latter winning out, 2-1, getting their last tally in the ninth. The game was a grand one to watch, being replete with spectacular plays. Young Wells, the Singer pitcher twirled fine ball, allowing only five hits. These were bunched when needed, Ennis getting a three bagger in the last session which decided the contest. The score: U. M. C. Co. 0 0 0 0 1 0 0 1 2 10 11
Singers 0 0 0 0 0 1 0 0 1 6 3

Warner Brothers tried out a new pitcher named McCormack against the No. 1 Crane team who took kindly to his delivery which with very bad error made off Klawburg, the visiting pitcher, yet the West Ends could not win. West Ends were without the services of Kerr, who has up and broken short stop, who is ill. The score: U. M. C. Co. 0 1 5 1 0 3 1 0 11 18 2

The Loco team after winning six straight victories went down to defeat at the hands of the Birdseye-Somers team, 10-9. The Loco hit "Sky" Kelley, the Corset makers pitcher hard gathering 16 hits. Buddington pitched well enough to win, but the errors behind him were very miserable and discouraging, a full dozen being made. Three each being credited to the first baseman, the mid-station man and to the short stop. Laubscher at second for the Corset makers had six misplays. Seven hits off Buddington in the eighth inning decided the contest. The score: Locomobile 11 0 3 0 3 0 1 0 9 16 12
